

Dwight Potter, Owner

Potter's Liquor Store

Dwight Potter

Dwight Potter has successfully operated two Potter's Liquor Stores in the city since 1985. He opened the first store in 1984 and due to its success, decided to open a second store one year later. His two stores, located at 412 N. Friendswood Drive and 1546 Sunset Drive, provide liquor, wine and full service that include keg beer, margarita machine rentals and Texas Lottery tickets. Dwight recently purchased and remodeled the building at 412 N. Friendswood Drive to provide more shelving space for products to serve customers. Both locations offer 3,000 square feet of space and employ a total of ten friendly and competent staff members. Dwight noted that "Friendswood residents tend to be loyal customers and shop local." There is an advantage to having your business in the

middle of a community with an upscale customer base with a higher disposable income.

Dwight has been a resident in Friendswood since 1988 and has been involved in the community through the years supporting organizations like the Rotary Club of Friendswood and the Friendswood Education Foundation. He has been an active member of the Friendswood Chamber of Commerce for 27 years and was named "Business Man of the Year" by the Chamber in 2005. In 2009, the Rotary Club of Friendswood recognized Dwight by bestowing him with a Paul Harris Fellow award for his outstanding service and collaboration with the club.
