## HomeTown Bank of Friendswood

*Allan Rasmussen, Senior Executive Vice President*

Allan Rasmussen has been a resident of Friendswood for more than thirteen years. He graduated from Texas A&M in December 1998 and started working at HomeTown Bank (HTB) shortly thereafter. Allan was excited to be a part of HTB's expansion plan when they opened their first Friendswood location at 3211 FM 528, making him an example of Friendswood's "Live Here Work Here" initiative. The second location, at 601 South Friendswood Drive, opened in December 2010. Together, the two locations are approximately 9,000 square feet and employ sixteen team members.

In 1966, HTB was formed in Galveston. Now in its 52nd year and with seven locations, the bank continues to promote a "family first" culture. This culture has kept

their 100 team employees engaged and committed to the success of the bank. HomeTown Bank is a full-service community bank specializing in consumer and commercial loans, deposit products, and relationships. "We don't make loans to businesses, we make loans to people that own businesses...it's all about relationships," Allan said. He added that one of his goals as a community banker has been to make a generational impact and stated that there are few communities like Friendswood where so many people have grown up, gone off to college, started their career, and then came back to raise their family. Because of this, HTB has served several generations in the community. Friendswood is a vibrant city full of business professionals, small business owners, and entrepreneurs. Its diversity is a perfect match for HTB's relationship banking model. Allan moved to Friendswood in 2004, and shortly thereafter met his wife Aimee. They have been married for more than eleven years

and have three children, ages 11, 6, and 3. "Aimee and our family love being here. This is home. Having young kids can certainly be a juggling act, but we are having fun and we wouldn't want it any other way." Allan also loves the Friendswood community and schools, and it shows through his endless enthusiasm, giving of time, and commitment serving as a leader and volunteer in Friendswood. A community bank should be a reflection of the community it serves, and that means hiring local people and getting involved. He currently serves on the City's Investment Committee, is President of Friendswood ISD's Education Foundation, is Past-President and Paul Harris Fellow of the Rotary Club of Friendswood, and is Past Chairman of the Friendswood Chamber of Commerce. Over the years, he has served many other local organizations as well. HomeTown Bank is the title sponsor of "Santa in the Park," the City's largest annual event with more than 10,000 attendees.
